AMFM Offering \$6,000 in Grants for Summer Youth Programs— Applicants Must Apply by June 7, 2024

(Annapolis, MD—May 24, 2024) Annapolis Musicians Fund for Musicians, Inc. (AMFM), a nonprofit organization that supports professional Annapolis musicians and music programs for youth, is now accepting applications for grants from its David Glaser Education Grant. Awards will go to nonprofit organizations in the greater Annapolis area whose summer programs benefit underserved students.

The David Glaser Education Grant is designed to offer underserved Annapolis youth exposure to the arts, particularly music. Mr. Glaser was a talented Annapolis-based performer, songwriter, and music teacher who cared deeply about mentoring and giving back to his community. This year, AMFM will provide a total of \$6,000 in grants. “We are so lucky to be part of a community that gives generously and allows us to continue funding this grant while honoring our friend, David Glaser. His legacy continues to help us reach more children,” says AMFM President PJ Thomas.

Applicants must be a registered 501(c)(3) nonprofit organization, be based in the greater Annapolis area, have an established, active summer program that includes a strong music component, and must serve underserved youth. Applications will be accepted through June 7, 2024, and recipients will be chosen on or about June 17, 2024. To apply, go to <http://www.am-fm.org/david-glaser-education-grant/>

AMFM was created to provide financial relief to professional Annapolis musicians who cannot work due to sickness, injury, or any other circumstance leaving them unable to perform. It also provides funding for music lessons for underserved children and gives scholarships to students majoring in music performance.
